Global Technologies

Your Reliable Analytical Lab Partner

ANALYTICAL LAB SOLUTIONS

EQUIPPING SCIENCE. ENABLING DISCOVERY.

PRECISION SOLUTIONS. POWERED BY SCIENCE.

Global Technologies LLC is a trusted provider of high-quality pre-owned analytical instruments and laboratory solutions. We empower laboratories worldwide with reliable technology, expert support and turnkey solutions that drive discovery, ensure compliance and deliver results.

- **WIDE RANGE** — New & used instruments from leading brands
- **QUALITY ASSURED** — Tested, verified & lab ready
- **GLOBAL SOURCING** — Large network, better opportunities
- **EXPERT SUPPORT** — Installation, training & after-sales service
- **ONE PARTNER** — For instruments, parts, consumables & solutions

1000+	50+	15+	100%
INSTRUMENTS SUPPLIED	COUNTRIES SERVED	YEARS OF EXPERIENCE	CUSTOMER FOCUSED

INDUSTRIES WE SERVE

Pharmaceutical & Biotech · Academic & Research · Clinical Diagnostics · Environmental Testing · Food & Beverage · Forensic & Government · Petrochemical & Materials

OUR ANALYTICAL SOLUTIONS

A comprehensive portfolio of world-class instruments

LC-MS / LC-MS/MS

Agilent, SCIEX, Shimadzu, Waters, Thermo Fisher
Triple Quad, QTOF, QTRAP, Orbitrap & more

HPLC / UHPLC

Agilent, Shimadzu, Waters, Thermo Fisher
Analytical to Preparative Systems

GC-MS / GC-MS/MS

Agilent, Shimadzu, Thermo Fisher
EI, CI, Triple Quad, High Resolution

ICP-MS

Agilent, Thermo Fisher, PerkinElmer, Shimadzu
Ultra Trace & High Matrix Analysis

ICP-OES

Agilent, PerkinElmer, Thermo Fisher
Robust, Reliable & High Performance

ION CHROMATOGRAPHY (IC)

Thermo Scientific (Dionex), Metrohm
IC Systems & Consumables

NMR

Bruker, Agilent
400 MHz, 500 MHz, 600 MHz & above

OTHER LAB EQUIPMENT

Spectrophotometers, TOC Analyzers, Karl Fischer, Particle Analyzers, Balances & more

TRUSTED BRANDS. PROVEN PERFORMANCE.

Agilent Technologies · SCIEX (The Power of Precision) · Waters (The Science of What's Possible) · ThermoFisher Scientific · SHIMADZU (Excellence in Science) · PerkinElmer · BRUKER

ABOUT GLOBAL TECHNOLOGIES LLC

At Global Technologies LLC, we understand that every laboratory has unique needs. That's why we go beyond supplying instruments — we deliver complete solutions that enhance productivity, ensure compliance and maximize your return on investment.

- **SALES & PURCHASE** — Wide range of new & pre-owned analytical instruments from leading manufacturers.
- **GLOBAL SOURCING** — Access to a vast global network to source the right instrument at the right price.
- **INSTALLATION & TRAINING** — Professional installation, method setup and user training for smooth operation.
- **SERVICE & SUPPORT** — Preventive maintenance, repairs and performance support by experienced engineers.
- **LAB EQUIPMENT & ACCESSORIES** — Consumables, spare parts and accessories to keep your lab running.
- **TURNKEY LAB SOLUTIONS** — Complete laboratory setup, workflow design and validation support.

WHY CHOOSE US?

- Quality instruments, fully tested & verified
- Transparent processes & fair pricing
- Reliable logistics & safe global shipping
- Responsive support you can count on
- Long-term partnerships built on trust

SERVING LABORATORIES IN
USA · CANADA · EUROPE · INDIA · ASIA
AFRICA · MIDDLE EAST · LATIN AMERICA
